

Elevate Your Cyber Insurance Game:

The Power of Partnership

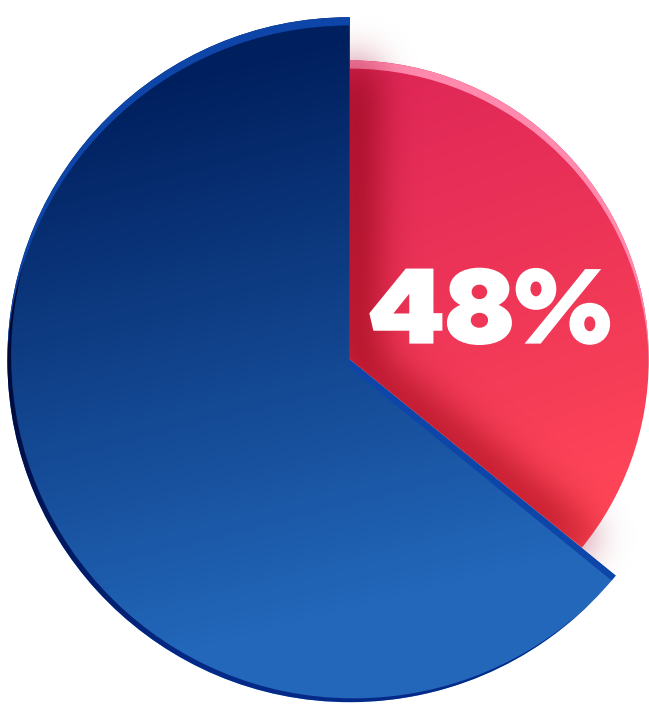

Insurance companies face escalating payouts due to phishing attacks.

Benefits of Being a Partner with Keepnet

- Human Risk Management Integration
- Financial Sustainability
- Consolidated Platform
- Tailored Licensing Structure

48% of companies reported a cyber attack in the past year.

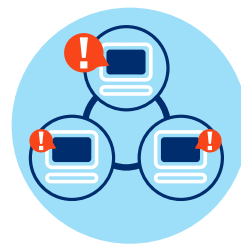

By integrating Keepnet's Human Risk platform into our cyber policies, we've expanded our reach, leading to a reduction in compensation by up to 89%.

Oliver Abney, CISO of Insurance Partner

Over the past three years, cyber insurance claims surged by 100%, but payouts can be reduced with the right partnership.

What Keepnet Provides You:

Proactive Threat Detection and Response

Behavioral Transformation and Training

Collaborative Threat Intelligence Sharing
